

Evaluation of student groups - questionnaire for academic staff

1. Listed below are eight statements about the student group whom you have taught. In each line, please indicate how much you agree with the following statements, where 1 means strongly disagree and 5 means strongly agree.

		1 - strongly disagree	2 – rather disagree	3 – to some extent agree, to some disagree	4 – rather agree	5 – strongly agree	difficult to say/ not applicable
1	Class attendance was high.						
2	Students came to class on time.						
3	Students actively participated in class (asked questions during lectures).						
4	Students were well prepared for class (not applicable to lecture).						
5	Students were respectful towards the lecturer.						
6	The atmosphere in the class was good.						
7	Students frequently contacted the lecturer about subject matters outside of class time (consultations, individual meetings, email contacts).						
8	It was easy to contact students outside of class (e.g., email, MS Teams, or through a student leader).						

2. If you would like to share any additional comments regarding your interaction with the assessed student group you can do it below:
